#The speed alert system gives audible warning for alert of overspeed to driver. When vehicle speed exceeds about 80 km/h, primary warning with two beeps will sound every minute. When the vehicle speed exceeds 120 km/h , secondary level warning with continuous beep will sound. If the vehicle speed slows down to about 118 km/h, primary warning will resume. If the vehicle slows down to about 78 km/h, speed alert warning will stop. This buzzer does not indicate any malfunction in vehicle.

Spare wheel material is steel and spare tyre size is 185/65 R15.
